Takeaways

Three Pillars of Platform Efficiency

KubeCon CloudNativeCon Europe 2023

Culture

Cost visibility/ROI to stakeholders

Culture of efficiency and accountability

Identify high-impact opportunities

Actionable insights

Unit Cost

Operations

Workload resource requests & limits

Static vs. Elastic

Vertical & horizontal pod scaling

Don’t compromise operational requirements

Design

Efficiency starts with architecture & design

Request, event & batch patterns

Managed services (RDS, Lambda) vs. self-hosted

HA & DR strategy
